

# TAN PO HUI

SOFTWARE ENGINEER

## SUMMARY

I'm a front-end developer with experience in HTML, CSS, JavaScript, PHP, React.js, Next.js. I've applied these skills in diverse projects, including **Game Hub** using React with TypeScript and Bootstrap, and **Issue Tracker** with Next.js and Tailwind CSS. Alongside my technical abilities, I've cultivated soft skills like leadership and teamwork through part-time roles. In a nutshell, I believe that my blend of hard and soft skills can enhance productivity and add value to any team.
